Permit Fee \$10.00 Date:

STREET TREE PERMIT APPLICATION

- This is an APPLICATION ONLY. This is NOT a permit. A permit will be issued to the applicant by the Director of Public Works pending an inspection of the trees/site by the City forester for the requested work. A separate permit is required for each property. The permit may be pickedup at Public Works upon payment of the \$10.00 permit fee. Make checks payable to the City of Bethlehem.
- A permit is required to perform work on trees or shrubs on any public area of the City of Bethlehem. TREE REMOVALS require an approved permit and removals MUST be replaced as directed by the Director of Public Works. Your signatures on this application indicate agreement to these conditions and all others as set forth by the City of Bethlehem's Codified Ordinances, Article 910 and the City's Arboricultural Specifications and

Standards of Practice.	· • · · · · · · · · · · · · · · · · · ·
Homeowners must use a tree contractor licer	nsed to work in the City of Bethlehem.
Homeowners may perform minor tree work the	hemselves if permitted by the Director. All work must be done in accordance with Article 910 and proo
of homeowners liability insurance is required.	
	ed roots to be ground down a minimum of four (4) inches below ground, grindings removed, and the
	d. If a replacement is required at the same site, the stump and exposed roots MUST be ground down
sufficiently to accommodate the replacement	rootball.
 Fill out the application COMPLETELY and SI 	IGN it to avoid delay. Please print information clearly. Return it to the Office of Public Works to be
added to the inspection schedule. After the C	City forester has conducted the inspection, you will be notified by Public Works as to the issuance or
denial of the permit.	
) Planting replacement trees does not require	an additional planting permit if done before the removal permit expiration date.
